

**About Dr. Weiner:**

From directional developer to caring coach, Dr. Arianne Weiner, an Industrial Organizational Psychologist and Certified Coach with more than two decades of experience specializing in executive coaching, management training, and organizational development, can help you use your strengths to achieve successful outcomes. Possessing an enthusiastic personality combined with pragmatic business insight, she helps her clients increase their business effectiveness by recommending and integrating solutions based on mission and values, strategic objectives, organizational culture, and workplace dynamics.

She is a leadership and development coach who helps people maximize their strengths, explore creative solutions, and learn new approaches for success. As an organizational development consultant she can help you achieve new insights and direction for your business effectiveness.

Dr. Weiner has taught courses in clinical and industrial organizational psychology and human behavior at the graduate and undergraduate level. As a faculty member, she has worked with diverse students, adults, and military personnel, and adolescents. As a teacher she has counseled students undergoing life transitions, seeking personal or career growth, or in preparation for doctoral-level training.

Dr. Arianne Weiner received her PhD from the California School of Professional Psychology and Masters from Brandeis University. She has been trained in Myers-Briggs®, TKI® and FIRO-B®, Clifton StrengthsFinder®, 360° Feedback®, certified in DISC®, and uses current industry developmental tools.

Her clients range from individuals and small companies to large corporations, nonprofits, and governmental agencies. She has worked in the following professions: legal, insurance, automotive, real estate, energy, food service, pharmaceutical, retail, manufacturing, and the creative sector.

Her consulting services include: human resource management guidance, supervisory and employee training and leadership development, strategic development, executive/ professional coaching, transitional and change management, team building, business communication, customer service and organizational effectiveness.

She integrates how people think, feel, and act in the workplace and helps people and organizations implement change.
